Work Experience

Instructor — *Stamford, CT*
Sweet Blue Swim Academy — *May-Aug, 2025*
- Taught swimmers of all ages proper technique, focusing on safety and confidence in the water.
- Led group and private lessons focused on stroke development and skill progression.

Coach — *Wilton, CT*
The Lake Club — *Jun-Aug, '21-'25*
- Coached 70 swimmers, leading daily practices and weekly meets; contributed to two undefeated seasons and three division championships.
- Provided personalized instruction to beginner-level children, emphasizing skill development and water safety.

Analyst — *Darien, CT*
Noble House Media — *May-June, 2023*
- Analyzed target companies and prepared reports outlining service benefits, pitching solutions to client needs.
- Created marketing materials aligned with client goals and collaborated with teammates to deliver quality results.

Projects

Data Governance Control Tower (SQLite, Python, SQL) — *Jan, 2026*
- Built a staging-to-curated pipeline for transaction data (stg_creditcard to cur_creditcard_transactions) with standardized naming and documented critical data elements (CDEs).
- Implemented automated data quality controls (completeness, validity, anomaly monitoring) with thresholds and audit logging to dq_results; added investigation-ready exception sampling to dq_exceptions.

Campus Engagement

Analyst — *Lewiston, Maine*
Bates College Investment Club — *Sep, '24-Present*
- Conduct research supporting stock proposals for a $185K investment portfolio, aimed at optimizing returns.
- Build expertise in portfolio management, financial forecasting, and market assessment through weekly sessions on investment strategy and market dynamics.

Athlete / Competitor — *Lewiston, Maine*
Bates Swim and Dive Team — *Oct, '23-Present*
- Commit 20+ hours weekly to training, attending eight practices to enhance performance and support team goals.
- Balance a demanding athletic schedule with academics and work obligations, demonstrating strong time management and discipline.
